St. Paul's Newsletter Survey

We would like your thoughts as we look ahead to our September issue of The Epistle. Trying to meet the needs of today, saving money, and keeping all of our members and friends informed of what St. Paul's is doing each month, we are thinking about emailing our newsletter each month. We would still send copies to our shut-ins or anyone requesting an issue. There would also be a few hard copies to pick up in the narthex for those who do not have a computer.

So in considering to make a change, we would like to ask each of you:
