From Pastor Matt.....

In the fall we often begin new things in the life of the congregation. This fall is one of those times. We will begin a new FaithWorks / Sunday School curriculum. The Bible stories we engage with every week will be the same story that we hear in the worship service. During worship the kids will get a chance to continue to engage with the story. The curriculum will feature fun characters, songs, videos, prayer, and activities. The fun will continue into the worship service where the kids will have more activities available based on the weeks' theme. FaithWorks will resume on September 10th at 9 AM. Join us.

The next weekend we will hold our 10th Annual Golf Outing at Twin Ponds Golf Course. Registration is open for both golfers and sponsors. You can register for both through our website.

This fall we have several opportunities to “stretch our evangelism muscles” and invite those in our lives to experience the life of St. Paul’s. Prayerfully consider who you might invite and see what God might do!

In Christ,
Pastor Matt
